Boat Diving Tips – Things You Definitely Want to Know!

Welcome aboard the Marissa. Let's talk about your trip! Below you will find information on WHAT TO EXPECT on your trip, our cancellation policies, as well as some tips that will make your boat ride more enjoyable. No need to thank us (just yet anyway) we are happy to help! If you find you are in need of further help ... feel free to contact us at any time.

What We PROVIDE:

- AL 80 tanks with DIN/YOKE Valves**
- Air Fills (Nitrox avail. for an extra fee, see below)**
- Hard Weights**
- Food and Beverage**
- Hot Tea, Coffee, or Coco**
- Warm Packs (for your chilly bones)**

If you are on a special diet, we can do our best to make sure we have food for your specialness;) Please email us to let us know!

We can provide Onboard fills of Nitrox from 22%-40%. We do have an analyzer onboard but encourage you to bring your own :):) Yes, Nitrox does cost extra. How much extra, you ask? \$16 per fill for singles, and \$30 for doubles. We do accept Credit Cards on the boat for this charge.

What You Should BRING:

You will reap the benefits from our years of experience, IF you bring the following along with your dive gear, of course. Do not underestimate the importance of being able to get warm and dry. (NO, your HOT buddy's (or boat crew's) body-heat is not what we are talking about!). The water temperature is between 50-52 degrees; with multiple dives, getting warm between them will make your day that much more AWESOME!

- ✓ Sunscreen
- ✓ Dry Towels
- ✓ Dry Clothes
- ✓ Sweatshirt or jacket to keep warm
- ✓ Seasickness Medication
- ✓ Government Issued ID
- ✓ Certification Card
- ✓ Tip for the Crew

Trust me; if you have *ANY* thoughts of seasickness, you may want to try some seasickness medication (**JUST DO IT!**), such as Dramamine, Bonine, or even Ginger. Seasickness can ruin your dive trip (and everybody else's), so please do your body a favor and come prepared. Dramamine comes in a "less drowsy" formula, and Bonine is a less drowsy formula; regular strength Dramamine makes most people sleepy, so consider taking this the night before. We (as in the **UNIVERSE**) have found the most effective way to ward off seasickness is by taking the recommended dose the night before, then again 2 hours before the trip. But of course....it's your call.;

Where We Are LOCATED:

Mission Bay Sportcenter 1010 Santa Clara Place San Diego, CA 92109Map this address on your Smartphone!;

Once you have pulled onto Santa Clara Place – Look for the second break in the median divider and **TURN LEFT NOW!** ;)

After you've turned left, you will see a set of swing-sets, and a baseball field on your right, and ... a parking lot! Park **HERE!**) Parking is free, however, we encourage carpooling **ESPECIALLY** in the afternoon. You see . . . being located on one of San Diego's most beautiful beaches can attract some visitors. OK, let's face it, **DROVES** of visitors. So plan accordingly, arrive early, the parking lot has a high turnover rate, so be patient something will open up soon!;

Our Cancellation Policy:

We have reserved your seat especially for **YOU ... yes, yes you!**) It is your responsibility to let us know if you cannot make it to the dive. You may cancel

anytime, HOWEVER 72 hours notice or more is required for you to be eligible for a refund. If your cancellation is less than the above-stated notice, you will not be eligible for a credit, refund, or rain-check, and forfeit all charges for the full list price of the seat.... Sorry, Charlie ... Rules are rules ;)

In the event of hazardous weather, we issue a “rain check” (no pun intended) that you can use for a future date.

Tipping Reminder:

Your crew works tirelessly to provide you with the best service money can buy ... So bring a big tip! HA! Okay, seriously, tips for the crew are not included in the price of any ticket, nope not yours either... We can't emphasize this enough: Our Crew works VERY hard to provide you the best service around. The Marissa Crew are all highly trained, skilled and underpaid professionals. So please show your appreciation in the Tip Jar at the end of the dive, (we now have multiple Digital Tip options, so you can tip even if you forgot to bring cash you can still tip:)) It is customary to tip 15-20% of the full price of a ticket; of course, you are welcome to tip as much as you want :).

Quick Tip Reference Guide for the mathematically challenged:

3 Tank Local Trip (\$124): 15% = \$19; 20% = \$24; 25% = \$31; 30% = \$37 (I'm feeling lucky!)

2 Tank Local Trip (\$112): 15% = \$17; 20% = \$23....okay, I rounded up ;) but you get the picture.

There is an ATM at the top of the dock if you accidentally leave your Tip Money at home or decide you want to make it rain \$20's! hehe. OR use our multiple digital tip options, Venmo, Paypal, Cash App, or Credit Card.

Fun Police:

You may have noticed a little sarcasm, satire, or joking around in this handout. That is for a good reason! You are diving to have FUN, and your experience should be FUN and EXCITING. Not to mention that you will be in great hands with our crew. We have provided these tips so you can have fun while you are on the trip. If you are freezing or seasick between dives or you forgot your sunscreen and are now lobster red, you are NOT having FUN. Since you didn't start diving to torture yourself, follow these simple tips to having a great time onboard our boat!
