Reach 4 Distinct Audiences
not all clicks are created equal: measure quality over quantity

**COMPLEX TRAVEL-PLANNING LANDSCAPE COMPLEXES MEASUREMENT**

The average American Traveler uses 38+ websites in the researching and booking phase, making the path to conversion incredibly complex. In order to truly understand which campaigns are worthy of your marketing budget, you have to look beyond the click, measuring engagement and goal completions for each campaign (quality over quantity).

**IDENTIFY CAMPAIGN TRAFFIC**

First, you have to be able to see the traffic in your analytics system. Digital advertising is easy to track when you use campaign tracking codes. Without a free code, you won’t even be able to see the traffic from paid campaigns (let alone measure the quality of it). Visit Here (http://bit.ly/1F9td0S) to set one up.

**LOCATE AND TRACK CAMPAIGN TRAFFIC**

When you use a campaign tracking code, your analytics system will capture this traffic under the Campaigns section (not under Referrals). Once you set up all of your paid marketing campaigns with campaign tracking codes, you’ll be able to evaluate the quality of each program all in one place.

SOURCE: Miles Media, one of the world’s leading marketing agencies helping organizations reach and engage with visitors.
As the official travel resource for San Diego, the SDTA’s planning tools are used by over six million consumers each year who are looking for information on where to stay, dine, shop and play during their San Diego vacation. In fact, a visitor to sandiego.org is 32 percent more likely to book a trip to San Diego than a traveler who didn’t visit the site.* Maintaining a strong presence within the SDTA digital channels is your best bet to reach this highly targeted leisure audience.

NATIVE & DISPLAY ADVERTISING

Visitors to SanDiego.org viewed over 14 million pages in the last 12 months while planning their trip. Native ads allow you to target your message by site content, season or geography and our impressions-over-time model, along with our monthly reporting, allow you to control your exposure and return.

AD UNITS:

NATIVE: These formatted, native units are integrated into the content of the page and drive a high CTR.

DISPLAY: Packages include a 300 x 250 IAB display ad, allowing you to tell your story visually.

DISPLAY CREATIVE

BEST PRACTICES:

Submitting a message following the AIDA (Attention, Interest, Desire, Action) funnel can up-to triple your ROI!

The creative has a photo, tagline and body copy for you to communicate your message. Drive users down the funnel with one frame following the AIDA funnel.

CREATIVE: Use an attention-grabbing tagline and a powerful image. Copy should communicate why you are a not-to-be-missed experience. Create interest & desire by utilizing experiential imagery, tagline and body copy. Tell the users what you want them to do (click here) and why they should do it.
