MEETINGS AT HARD ROCK HOTEL
SAN DIEGO

10 Reasons To Meet In San Diego

1 SOMETHING FOR EVERYONE

Wellness beyond the sunshine, your attendees will find inspiration at every turn with a variety of experiences. They'll enjoy San Diego's beaches along with its bustling Downtown, taco trucks and Michelin-starred restaurants, a world-famous zoo set within an urban cultural park, and outdoor adventure complimented by world-renowned arts — setting the tone for creativity and productivity before, during and after your meeting. Now that's something to smile about!

2 GREAT TRANSIT

San Diego is not only easy to get to, it's easy to get around. It has two international airports conveniently located near Downtown. San Diego International Airport is just three miles from Downtown, and the Cross Border Express (CBX), a full-service terminal on the U.S. side of the U.S./Mexico border with a bridge that connects to Tijuana International Airport, is just 20 minutes away from San Diego's city center. Once you're in San Diego, most everything is a convenient car ride or transit trip away — including extensive bus, rail and trolley service. That means attendees can experience all the region has to offer, from its North Coastal beach towns to its East County mountains to its bustling urban neighborhoods — often with a trip of 20 minutes or less.

3 DISTINCTIVE LOCALES

If you're looking for variety, San Diego is hard to beat. Each of its distinct regions has a personality all of its own, with bustling and diverse neighborhoods that offer up a mix of nightlife, arts, restaurants and recreation as well as an abundance of hotels from large to small and boutiques to resorts.

4 VENUE OPTIONS

No matter the size of your event, you'll find accommodations that don't just meet your needs but exceed them. From hip, urban properties to luxurious waterfront retreats and from familiar brand names to a whole host of independent properties, San Diego has it all, including an array of unique outdoor venues that set it apart from other destinations. No matter the style, they all come with sophisticated and modern services that make it easy to plan forward-thinking, economical and eco-friendly meetings.

5 BIG IDEAS

Home to groundbreaking research institutions, world-class universities, a thriving life-sciences sector and an impressive list of Nobel laureates, San Diego was the only city in the U.S. named to the World's Smart Cities list by the National Geographic Channel. If your attendees are looking for inspiration, San Diego is the destination, with its reputation for innovation and as a place where goals are not only imagined but exceeded, with out-of-the-box thinking and collaboration.

6 ONLY-IN-SAN-DIEGO EXPERIENCES

Touring San Diego's renowned craft breweries, celebrating the city's military heritage aboard the USS Midway Museum or convening amid the excitement of such world-class attractions as SeaWorld San Diego, the San Diego Zoo or the Birch Aquarium at Scripps: Those are just a few of San Diego's one-of-a-kind venues and team-building activities that are available for stimulating indoor and outdoor gatherings.

7 NATURALLY DIVERSE

San Diego is the most biodiverse region in the country — and it shows. Where else can you enjoy 70 miles of beaches, whale-watching from the heights of Cabrillo National Monument, clifftop golfing at Torrey Pines Golf Course, hiking through the alpine forests of historic Julian and taking in the striking, arid landscape of Anza-Borrego Desert State Park — all in one day? Just as important is the diversity of San Diego's citizenry, who pride themselves on providing a warm welcome to all.

8 CREATIVE CULTURE

The incredible concentration of art and culture found within Balboa Park, plus street festivals, immersive art experiences, Tony Award-winning theater and world-class performing arts all serve to highlight San Diego's abundant creative energy and its commitment to equity and inclusion.

9 MATTERS OF TASTE

Like the cross-border cuisine that is distinct to San Diego, local chefs with diverse ethnic backgrounds and culinary traditions create global flavors from the freshest of ingredients. Their creations can be incorporated into any event and served alongside the region's world-class microbrews to dazzle your attendees with the essence of San Diego. And with three restaurants that boast coveted Michelin stars, the city is becoming a prime destination for true-blue foodies.

10 SUNSHINE & SMILES

There's one other huge advantage to planning a meeting in San Diego — attendees can't wait to experience California's Beach City year after year. The destination is a guaranteed draw, and will have your attendees clamoring to stay another day (or more!) to soak up the fun and sun in San Diego.

WORLD-CLASS ATTRACTIONS

San Diego is home to one of the most renowned zoological parks on the planet, the San Diego Zoo, which just cut the ribbon on one of its most ambitious additions ever: The Wildlife Explorers Basecamp, a three-acre adventure zone that takes in a wild variety of plant and animal life. And just a few miles away is SeaWorld San Diego, an aquatic wonderland that offers not just memorable encounters with marine life but thrill rides, too. To the north, LEGOLAND California Resort recently revealed Miniland San Diego, a miniature version of America's Finest City, alongside reproductions of Las Vegas, San Francisco, Washington, D.C., and New York. Each of these great attractions boast multiple options for outdoor events.

UCSD PARK & MARKET

Spring 2022 brought the long-awaited grand opening of UC San Diego @ Park & Market, a state-of-the-art, multipurpose facility in the East Village that aims to be the premier meeting and event center in San Diego's urban core. The 66,750-square-foot building incorporates fully outfitted executive conference rooms, two theater/event spaces, an expansive outdoor terrace and more. Not only is UCSD Park & Market poised to host a wide variety of meetings, but it will serve as a key home for university programs, providing broad access to those in the community. And it's connected to the university's main La Jolla campus (as well as such destinations as the Westfield UTC shopping center) by the new UC San Diego Blue Line extension of the San Diego Trolley.

THE CAMPUS AT HORTON

One of the most exciting redevelopment projects that Downtown San Diego has seen in years, the Campus at Horton will be a multi-use business and retail center with an emphasis on sustainability. The \$330 million project, which replaces the now-closed Horton Plaza shopping mall, will include 700,000 square feet of office space as well as 300,000 square feet of retail across the 10-acre property. The developer, Stockdale Capital Partners, also plans such onsite amenities as multiple restaurants and cafes, health and wellness facilities and arts and entertainment happenings, along with significant meeting and event space. The Campus at Horton, which is designed to be carbon neutral, is projected to provide 3,000 to 4,000 jobs once it's fully built out. It's scheduled to be completed by the end of 2023.

DIVERSITY

With its rich multicultural heritage, San Diego embraces and celebrates diversity in ways large and small. The region is filled with vibrant neighborhoods — from Barrio Logan, with its mural-filled Chicano Park chronicling the Chicano experience, to City Heights, where more than 30 different languages and dialects are spoken, to the Convoy District, with its array of Asian culinary gems. As a crossroads of culture, San Diego welcomes everyone with an open embrace.

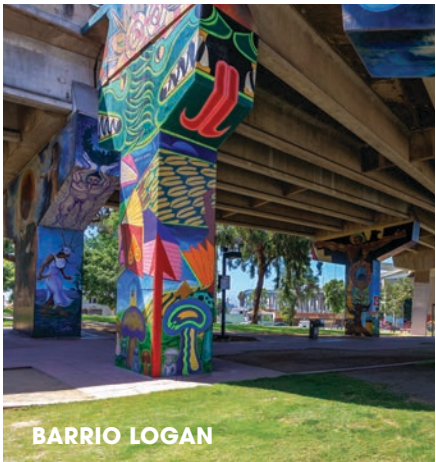

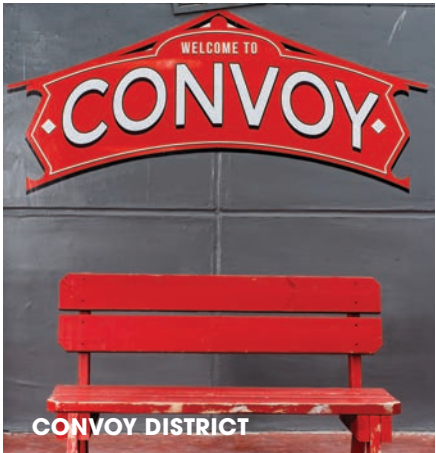

That spirit can be seen not just in the diverse communities that make up San Diego but also in the wide range of neighborhood festivals, performing-arts events, museums, film festivals and dining opportunities that reflect San Diego’s multicultural makeup. Those celebrations include San Diego Pride, the San Diego Jewish Film Festival, the Martin Luther King Jr. Parade, San Diego Pacific Arts Movement, the Vietnamese Tet Festival, the San Diego Latino Film Festival, Sycuan Pow-Wow, the Portuguese Festa de Espirito Santo, the annual San Diego Greek Festival and many others.

In addition, Balboa Park, the Malcom X Library in Southeastern San Diego, the Martin Luther King Promenade that runs through Downtown, and the nearby Chinese Historic District are just a few of

the multicultural landmarks that add tremendous richness to the region.

The San Diego Tourism Authority is proud to be contributing to that tradition of diversity through our new Tourism Accelerator program, which this year is providing a program of marketing services worth \$10,000 to each of 10 area businesses owned by women, veterans, people of color and those who identify as LGBTQ+.

Visitors to San Diego find themselves delighted by not only by our dazzling beaches and bays, but by the region’s devotion to diversity, and by its wealth of creative communities that draw on an immensely enriching variety of cultural traditions. Experiencing these local treasures is just about guaranteed to create lasting memories.

Military & Defense Industry Meetings

You serve your country with great honor, and now we are honored to serve you — with a special no-cost program designed to make your military and defense industry meetings successful.

MILITARY HIGHLIGHTS

San Diego's rich military roots run deep, and its desirability as a military hub has only increased. Today, Naval Base San Diego is the largest Navy base on the West Coast and the principal home port of the U.S. Pacific Fleet.

Camp Pendleton in North County is home to the U.S. Marines' largest West Coast expeditionary training facility.

More than 160,000 active-duty personnel, reservists, veterans and families reside in San Diego. It's no wonder San Diego has been dubbed a military town, and why your attendees will feel so welcomed here.

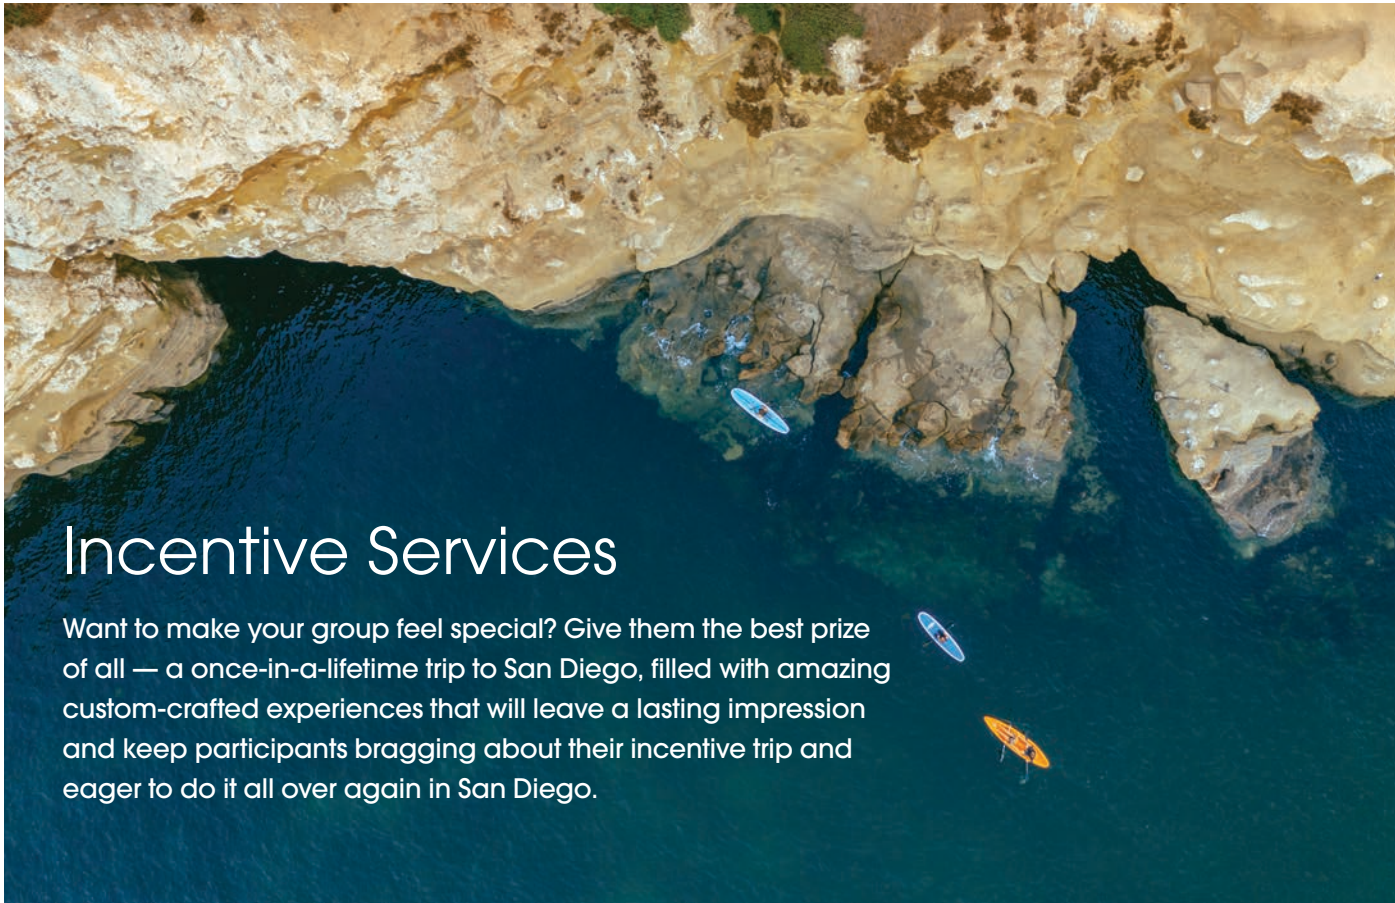

DEDICATED EXPERTS

Our state-of-the-art technology will make the planning process quick and efficient.

After you submit the relevant information, we will:

- Identify hotels that meet your requirements.
- Create an internet link specific to your meeting, allowing San Diego hotels to respond quickly and directly to you with rates and availability.

We understand your need to find a high-quality hotel with excellent meeting space at federal government per diem rates.

Incentive Services

Want to make your group feel special? Give them the best prize of all — a once-in-a-lifetime trip to San Diego, filled with amazing custom-crafted experiences that will leave a lasting impression and keep participants bragging about their incentive trip and eager to do it all over again in San Diego.

SALUTE THE MILITARY

Float above the bay on the USS Midway Museum while enjoying a reception on its expansive outdoor flight deck among vintage airplanes.

PLAY IN THE BIG LEAGUES

Make the San Diego Padres' Petco Park your home base for the night with a grand-slam event on the field, an executive dinner just beyond center field or a panoramic rooftop gathering.

LIFE'S A BEACH

Follow an adventurous day at La Jolla Cove — filled with kayaking the sea caves, learning to surf or paddle boarding next to dolphins — with an elegant, toes-in-the-sand, candlelit dinner on a romantic beach in La Jolla.

GO WILD

Enjoy a special event surrounded by creatures of the wild in a beautiful Southern California setting: Dine with marine life behind the scenes at SeaWorld; camp in luxury overnight with the lions at the San Diego Zoo Safari Park; or watch baby koalas play at the San Diego Zoo.

WHAT MAKES THEM SMILE

Tempt your attendees with choices: Jump off a cliff and soar over the Pacific Ocean and the beautiful Torrey Pines State Natural Reserve with a paragliding or hang-gliding adventure; encounter a trained bird of prey and learn about one of the world's oldest hunting traditions; or test yourself against the course that challenges pros annually during the Farmers Insurance Open and hosted the 2021 U.S. Open — the legendary Torrey Pines Golf Course.

One of our most important priorities is helping you sell San Diego as the ultimate incentive destination. We're here to assist you with your RFP search, planning and materials, special-needs support and solutions — and answer all your questions.

- Quick turnaround time on your RFPs from our members
- Assistance with in-person and virtual site inspections
- Destination management company referrals
- Incentive vendor referrals
- Official welcome letters
- Attendance promotion kit
- Incentive gift referrals
- Hospitality desk services
- Destination videos
- Off-site party venue selection
- Event program recommendations
- Digital photos for promotional use
- Promotional and email templates

Multicultural Events

The San Diego region enjoys a rich multicultural tapestry. The historic murals in Chicano Park and Balboa Park, Malcolm X Library in East San Diego, Martin Luther King Promenade and Chinese Historic District in downtown San Diego are just a few examples of the multicultural tributes throughout the county.

San Diegans take great pride in preserving their heritage and culture. Festivals, neighborhoods, theaters, museums and dining opportunities reflect diverse cultures and lifestyles. Come join our multicultural celebrations. You'll find that San Diego's warmth comes not only from its sunny weather, but also its friendly people. This open-arms policy has helped make our city one of America's most desirable places to live.

We extend a warm welcome to you and your delegates to experience the diversity that makes San Diego a leading multicultural meetings and tourism destination.

Sporting Events

San Diego is often referred to as the sports and active lifestyle capital of the U.S., with a wide selection of world-class indoor and outdoor venues to accommodate a range of traditional and alternative sports. From baseball to soccer, surfing to polo, there is something for everyone — including more than 70 golf courses countywide, 1,200 tennis courts and 70 miles of Pacific coastline. Our near-perfect climate is an added benefit, making San Diego the ideal choice for your next sports meeting or event.

A WINNING STRATEGY

Hit a home run at the San Diego Padres' PETCO PARK with a special event on the field followed by fireworks, a luxury box to cheer on the team, or a rooftop gathering with stunning views of Downtown and San Diego Bay.

- Let arrows fly with a team-building archery contest or mingle with champions around their Olympic Torch at the CHULA VISTA ELITE ATHLETE TRAINING CENTER, a year-round 155-acre Olympic and Paralympic training site.
- Go big at SAN DIEGO STATE UNIVERSITY's 35,000-seat, outdoor, natural-grass Snapdragon Stadium, slated to open in Fall 2022. With an open-air design, sweeping concourses and modern spaces for entertaining, the venue will certainly impress your attendees and provide the quintessential San Diego experience.

WE'VE GOT GAME

Whether your "game plan" involves exhibit space, breakouts, fields or courts, San Diego has the venue you need. Sports San Diego, launched in January 2022 with the support of the San Diego Tourism Authority and the San Diego Tourism Marketing District, offers highly customized solutions for national and international sporting events and meetings. Discover the Award-Winning San Diego Convention Center

We are proud to be the region's premier gathering place. Since opening our doors in 1989, our team's top priority has been to provide outstanding customer service so you'll want to come to San Diego over and over again.

LOCATION

The San Diego Convention Center is favorably located within walking distance of over 13,000 first-class hotel rooms and is just 10 minutes from the San Diego International Airport. Also within easy walking distance are hundreds of unique restaurants, shops, parks and attractions. Before or after meetings, attendees can stroll to the lively Gaslamp Quarter, Seaport Village, The Headquarters shopping district, the historic USS Midway Museum, and Petco Park, home to the San Diego Padres. Our newest neighbor is The Rady Shell, an open-air, waterfront concert and events venue. Getting around the rest of town is simple with many convenient transit options.

With a warm, year-round climate and a stunning coastline, San Diego is a top destination for domestic and international

travelers. It's also consistently recognized as one of the most creative and inventive cities in the world! San Diego is home to cutting-edge businesses and research organizations in life sciences, aerospace, defense, cleantech, cybersecurity, software, manufacturing, and other innovative industries.

SPACE

Our waterfront facility features 2.6 million gross sq. ft. with 615,701 sq. ft. of exhibit space, and 204,114 sq. ft. of meeting space including two 40,000 sq. ft. ballrooms. The Center is home to 284,494 sq. ft. of pre-function, lobby and registration space, as well as 184,514 sq. ft. of outdoor terrace space. Ultimate flexibility is offered for groups of any size. More than a half million sq. ft. of contiguous exhibit space is divisible into seven halls of varying sizes.

Approximately 50 loading docks offer convenient access to exhibit halls.

FEATURES

The building's architectural centerpiece is a 90,000 sq. ft. Sails Pavilion that provides an open-air feel. The exhibit space allows meeting planners to customize lighting of the iconic Sails Pavilion roof. The glass-enclosed space features an industry standard trade show floor, high-tech lighting and a cooling and heating system for maximum comfort year-round. The column-free space is equipped for a variety of events, from trade shows and receptions to banquets and galas.

The Sails Pavilion is flanked by two ballroom foyers that provide excellent pre-function space for receptions, coffee breaks, and registration activities. The ballrooms themselves each offer more than 40,000 sq. ft. and can easily be divided into smaller sections, designed for maximum flexibility. Several meeting rooms open out to expansive terraces overlooking the San Diego Bay, the perfect place for attendees to soak up San Diego's year-round sunshine.

Recent upgrades include new meeting room carpeting, expanded digital signage opportunities in lobbies and common areas, the installation of ten electric vehicle charging stations in our parking garage, and water bottle fill stations throughout the building.

SERVICE

Renowned for our impeccable, high-quality service and experienced, award-winning staff, the Convention Center provides seamless customer service from the initial planning stages to the conclusion of an event. From housekeepers to groundskeepers to event managers, our Center's team has a special operating philosophy; each person who enters our doors becomes an honored guest. This can-do attitude ensures successful events and keeps meeting planners coming back to our center again and again.

A vibrant, year-round destination for inspiration, innovation, and relaxation.

Sustainability & Community

From using renewable energy to reducing waste, our business practices are recognized nationally and internationally for environmental responsibility and sustainability.

ENERGY

In 2021, we began partnering with San Diego Community Power to source sustainable energy from renewable sources, consequently increasing our renewable percentage from 31% to 50%. We also seek to reduce our energy consumption. For example, our entire facility uses LED light fixtures, including the lights in our iconic Sails Pavilion.

FOOD SOURCING

Our goal of elevating the culinary experience for our attendees concurrently aims to reduce our impact on the environment through careful ingredient sourcing and menu development. We purchase within a 150-mile radius whenever season permits and develop environmentally friendly menus with vegetarian options.

RECYCLING AND COMPOSTING

Our extensive recycling program includes 4-stream waste receptacles divided into paper, recyclables, trash, and compost. We do not have in-sink garbage disposal units in our kitchens. Instead, staff are trained to place all food scraps into the green compost bins. We have composted as much as 180 tons of non-edible food in a single year.

When food is prepared but not served, we donate it to the San Diego Rescue Mission. One year of food donations plates over 100,000 meals, on average!

To further reduce waste, we collaborate with meeting planners to donate excess convention materials to local organizations. One example is partnering with Habitat for Humanity to provide materials they can use to build houses.

CITYWIDE INITIATIVES

Beyond our building, sustainable practices are evident across our region. In 2022, the City of San Diego updated the City's Climate Action Plan, setting an aggressive target of net-zero greenhouse gas emissions by 2035.

VOLUNTEERING

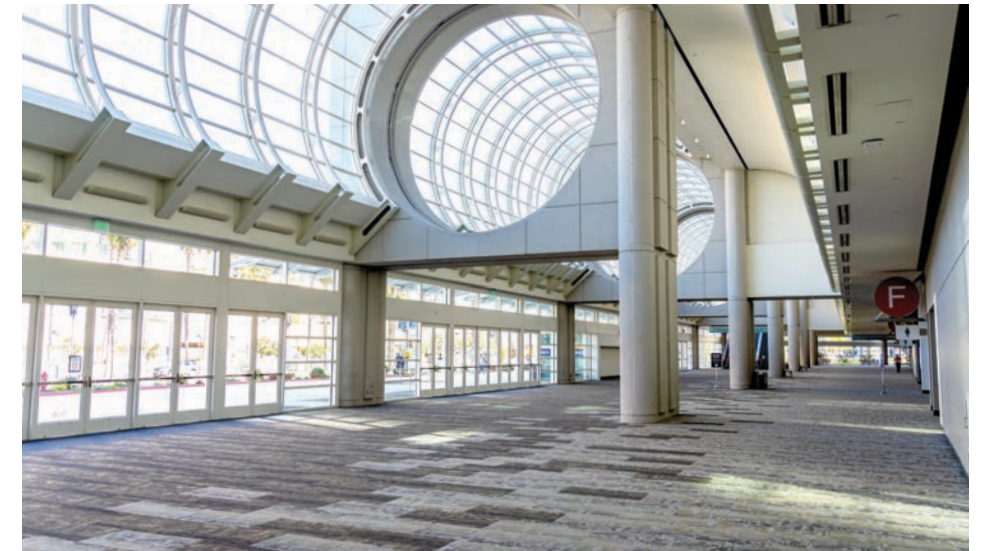

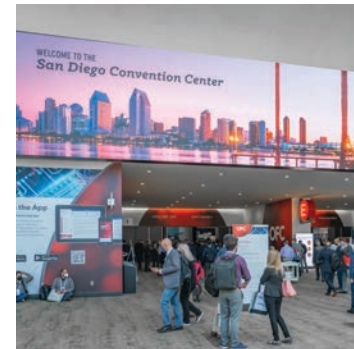

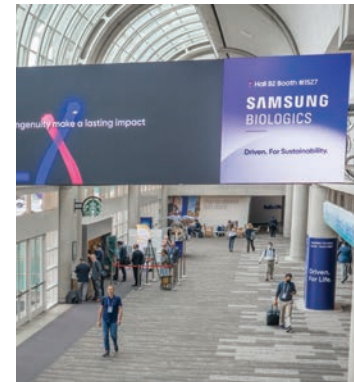

We also support our community through ongoing participation in the San Diego Pride Parade, holiday donation drives, neighborhood clean-up efforts, and service projects throughout the year.

Lobby & Prefunction Space

Enter the San Diego Convention Center and you're walking into an iconic architectural wonder. Translucent, barrel-vaulted glass skylights offer panoramic views of downtown San Diego. With 75,756 sq. ft. of space, and customizable digital signage, our lobby offers a bright and welcoming environment for your guests.

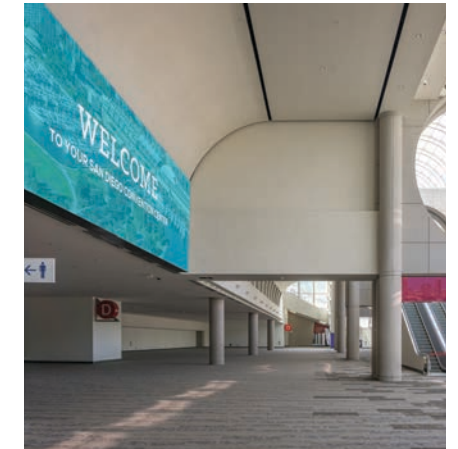

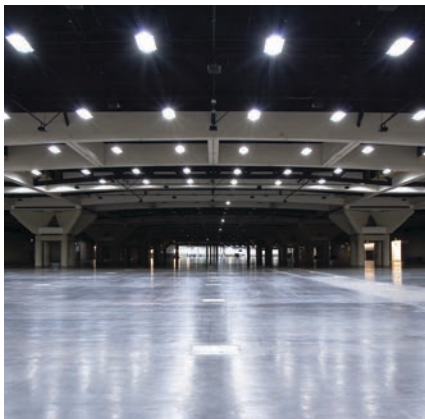

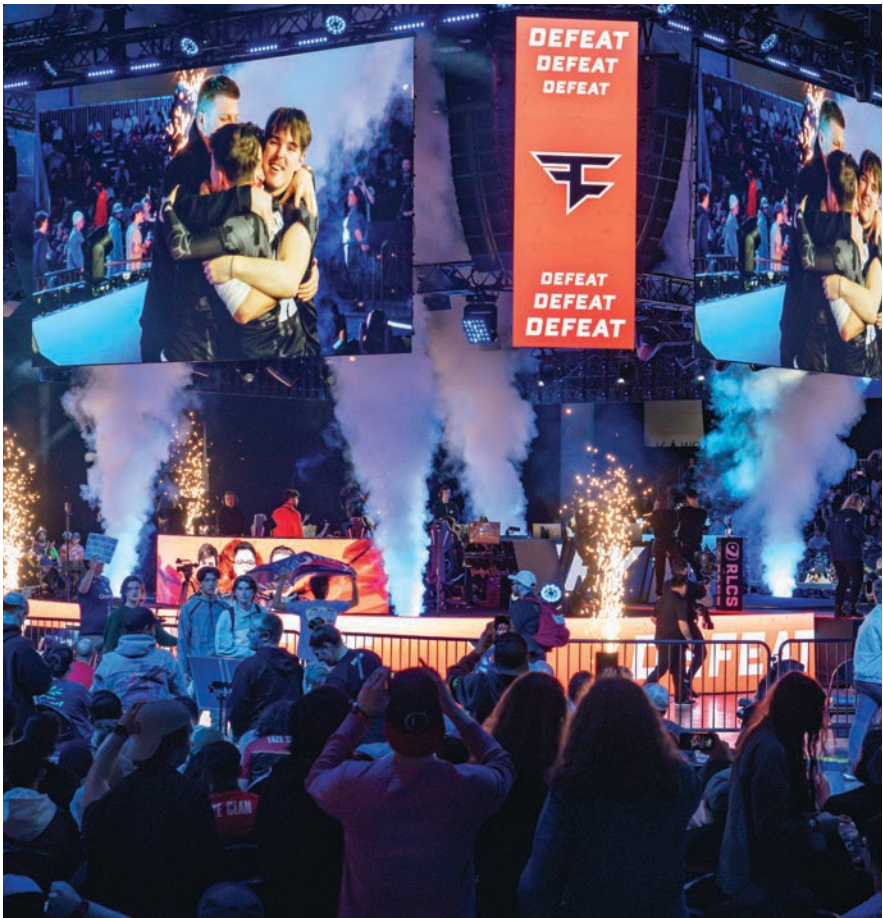

Exhibit Halls

The exhibit halls offer 525,701 sq. ft. of contiguous exhibit space on the ground floor. The main hall is divisible into seven halls, each of varying size. Streamlined columns provide column-free space in selected halls. Approximately 50 loading docks provide access.

Meeting Rooms

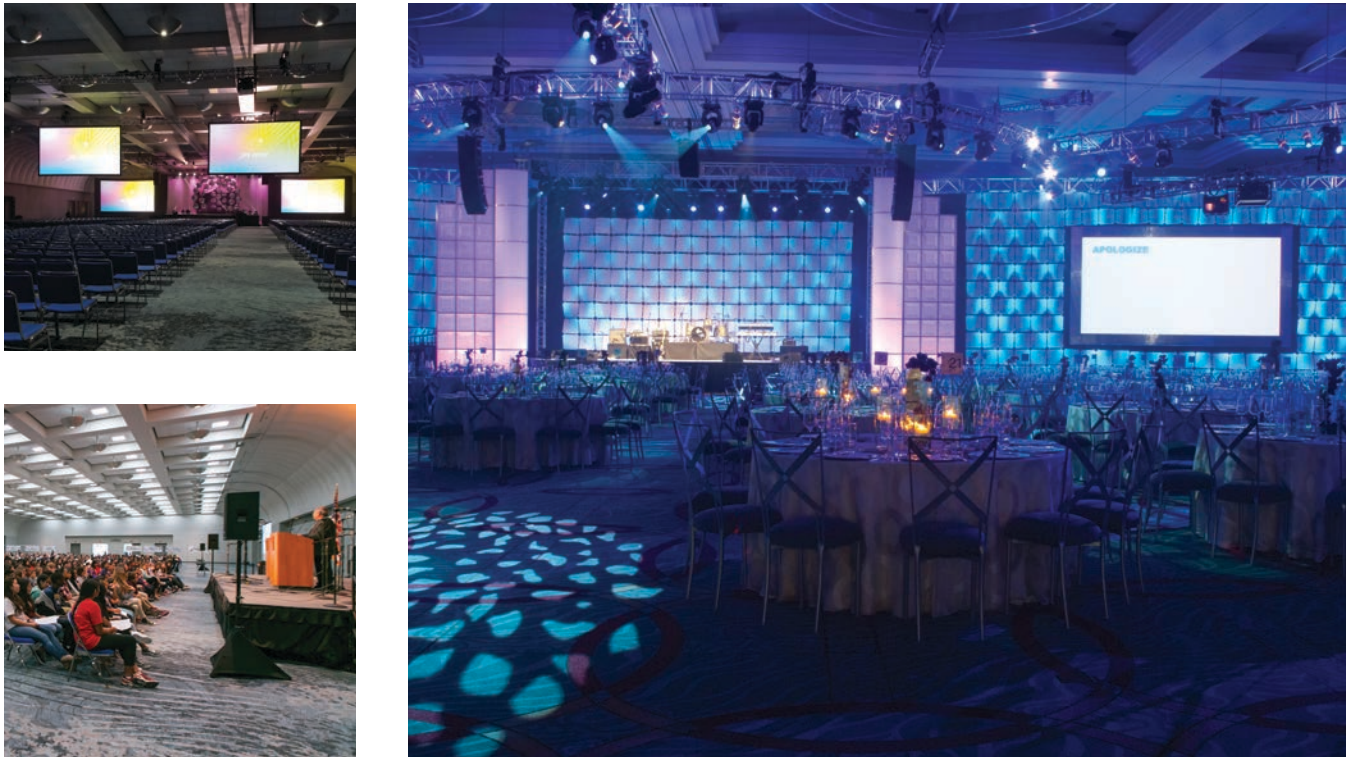

The building offers over 204,000 sq. ft. of meeting space in 72 meeting rooms located on the upper and mezzanine levels of the building.

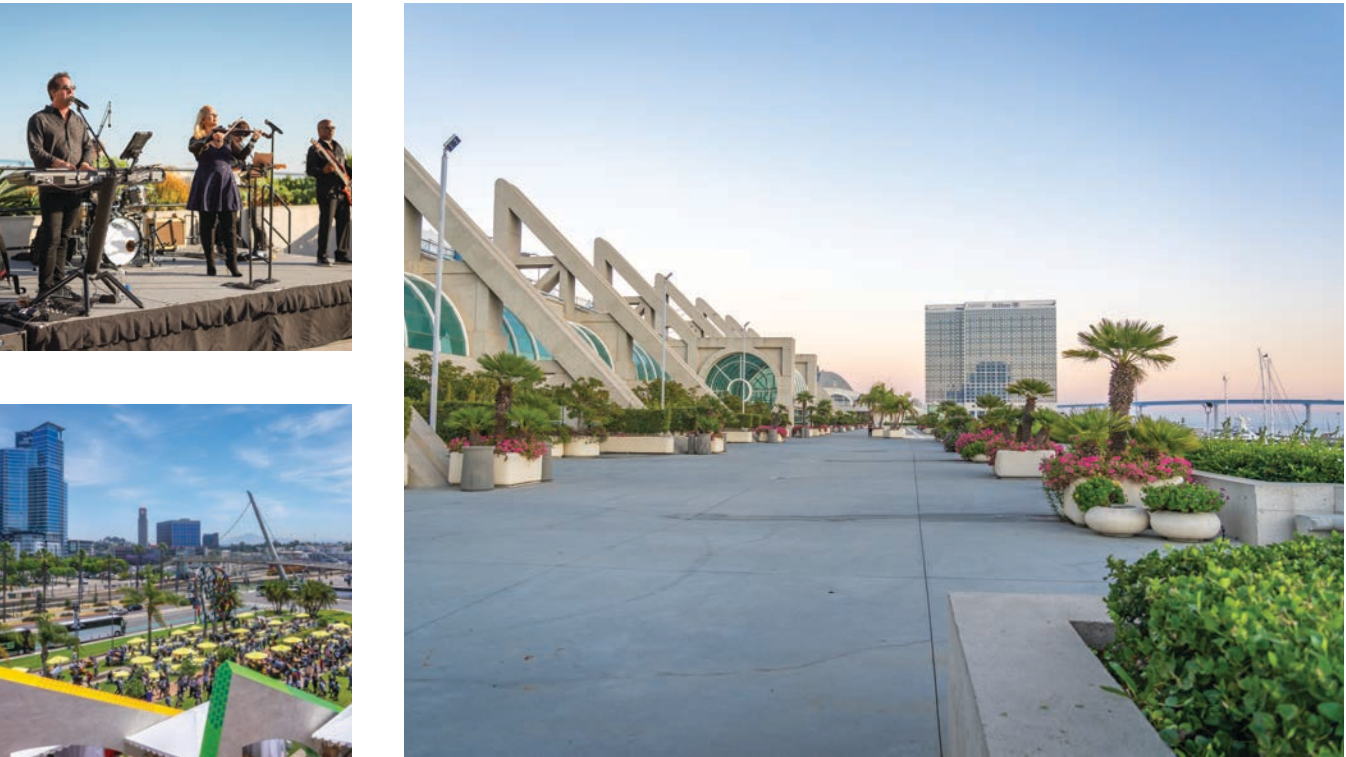

Ballrooms

Two 40,000 sq. ft. ballrooms provide ample room for all your needs. The perfect combination of understated elegance and practical functionality, both ballrooms can accommodate larger general sessions or banquets, or can be divided into smaller rooms for any type of function.

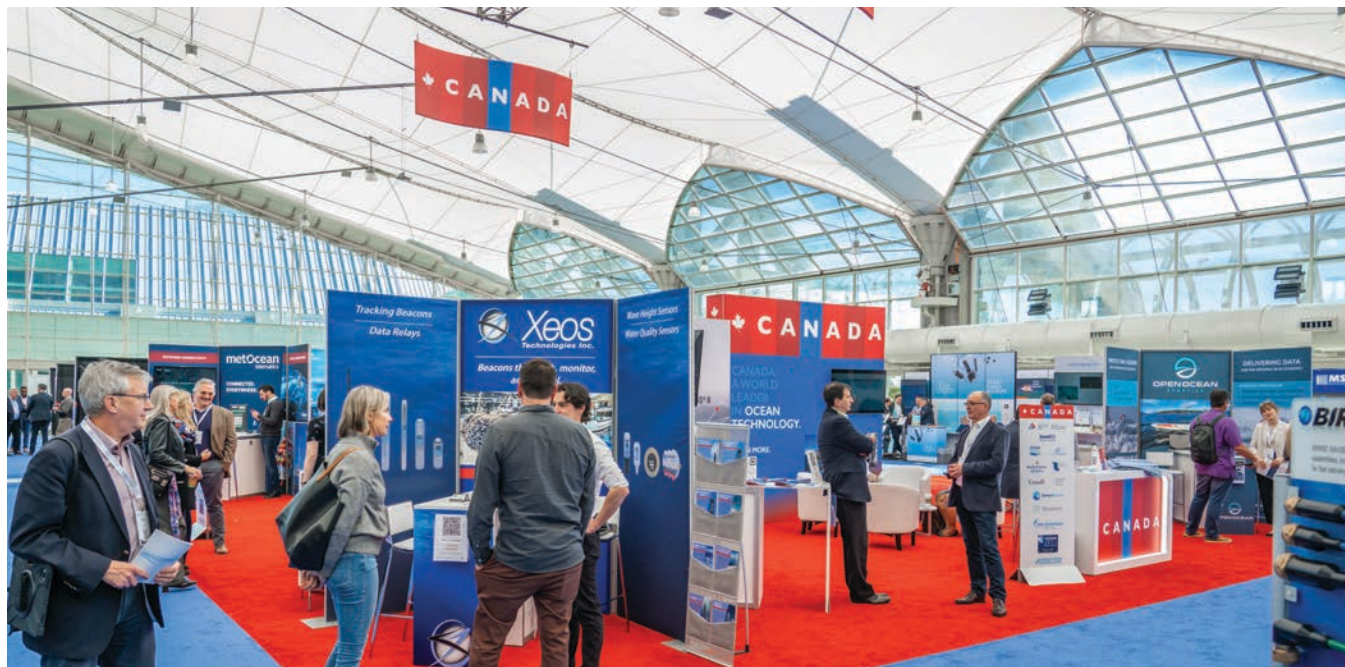

Outdoor Space

With sunshine year-round, the terraces and outdoor mezzanine levels showcase San Diego’s beautiful weather. Dramatic views of San Diego Bay and the Coronado Bridge make the terraces the perfect backdrop for any special event. The area features an observation deck and illuminated skywalk. With 184,514 sq. ft., there’s room for both small and large functions.

Sails Pavilion

Considered the building's most iconic space, the Sails Pavilion offers 90,000 sq. ft. with sweeping views of the city and bay. Glass-enclosed with an industry standard tradeshow floor, the area is flexible for activities ranging from upscale receptions to exhibits. The newest enhancement and upgrade to the Sails Pavilion includes the option to customize lighting that is visible inside and outside, illuminating the San Diego skyline.

What Color is Your Meeting?

Customize and personalize your event in a spectacular way through LED lighting in our iconic Sails Pavilion.

COMPLIMENTARY LIGHTING

Any client that has a full-facility contract can select one color of their choice to light up the Sails each evening of the contracted event days. This will be complimentary during any four-hour block of time of their choosing (ending at midnight) to showcase the color that best represents a specific event. This is our way of saying thank you for bringing your business to the San Diego Convention Center.

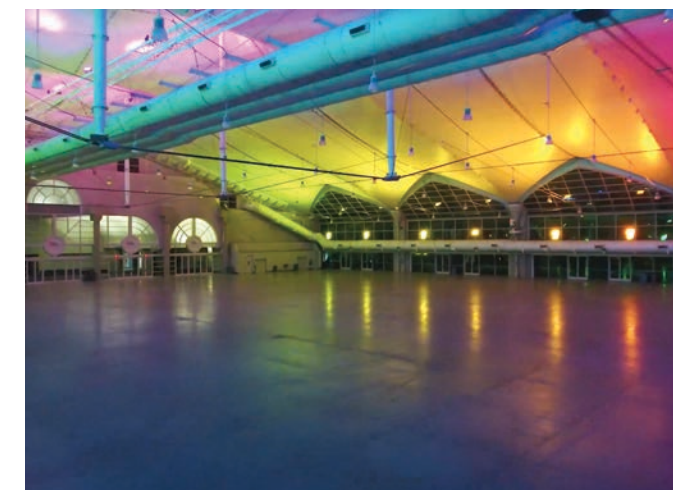

FIRST-COME, FIRST-SERVE LIGHTING

Any client that contracts a portion of space in the Center can receive one color for a single contracted event day of their choosing for four hours (ending at midnight). This will be on a first-come, first-serve basis if the Sails Pavilion has not been contracted.

CUSTOMIZATION

Customization includes:

- Consultation and informational meeting on LED capabilities
- Custom light show design and test
- Pre-Show video presentation and final customization

HYBRID EVENTS

The San Diego Convention Center is prepared to help you offer successful events that feature in-person programming and virtual components, often referred to as hybrid events. The information below details the scale and capabilities we have in our facility.

PARTNERS

With our infrastructure and our experienced in-house technology partners **ON Site** and **Smart City Networks**, we can help you simplify the process of producing hybrid events. The ON Site team provides equipment, platform, labor, content creation, program and technical direction and more. Smart City will ensure you have the necessary connections, secure access and dedicated bandwidth for virtual components.

SERVICES

Hybrid event activity may scale from a video call in small meetings to live-streaming sessions for remote viewers to presenting keynotes with multiple live speakers in remote locations interacting with in-person attendees. The following menu includes our most popular offerings; our team is able to customize our services to meet your specific event needs.

TECHNICAL SUPPORT

Providing technical and consulting support for customers bringing their own software and equipment.

BASIC VIDEO CALLS

Usually a single speaker on a video call using existing meeting equipment (computer, projector, screen, microphones, camera, lighting) and a platform provided by either the client or ON Site.

ENHANCED VIDEO CONFERENCES

Offering a more complex video conference using Zoom, Teams or an equivalent video conferencing platform to better facilitate multiple remote participants. Potentially use split screens or multiple screens to simultaneously show a presentation and speakers.

PRODUCTION AND TECHNICAL DIRECTION

Collaborating with you to produce the hybrid programming. This production can involve script-writing, set design, live camera-switching, cueing speakers and routing video feeds.

RELIABLE & DEDICATED BANDWIDTH

Strong internet connections to meet event needs for video streaming and interactivity. Smart City contracts with at least two carriers with separate points of entry into the facility for bandwidth. Should one circuit fail, we have automatic failover to the back-up circuit so there is no downtime to clients.

INTERACTIVE CHAT AND POLLING

Creating virtual lounges where remote viewers can interact with either an in-person or remote speaker. Chat text may appear on screen for the speaker and/or the in-person audience. Polling tools allow for seamless collective interaction between the audience and speaker.

SERVICES

COMPLETE HYBRID CONFERENCE PLATFORM

For a fully immersive and cohesive hybrid conference experience, a single platform can be used for broadcast management, virtual lounges, speaker-ready rooms and audience interactions.

PRE-EVENT RECORDINGS

Producing video recordings either in advance of an event or before a scheduled release time. Videos may be published on your website or made available to attendees through other methods.

OFF-SITE BROADCAST STUDIO LOCATION

Providing an off-site studio, potentially in a different city, for remote speakers to conduct high-quality live-streaming.

CONTENT CREATION AND MUSIC LICENSING

Assisting with licensing music or other content that you may want to include in your virtual materials. Content creation may include full titles and graphics, custom animations and show theme design.

MAXIMIZING SPONSORSHIP OPPORTUNITIES

Supporting you with identifying unique opportunities, maximizing exposure for sponsors during hybrid events and tracking analytics.

24/7 MONITORING & SUPPORT

A local team is available during event hours and on-call 24/7. All ports are polled every 3 to 5 minutes for connectivity and network stability. Additional network switches and wireless access points are kept on-hand and connected to networks at all times.

We can customize our solutions to meet your vision and needs. Contact your event manager to get started today!

Hotel Meeting Facilities & Accommodations

Kick-start your meeting and boost productivity by ensuring that delegates feel ready to get down to business the moment they step off the plane, through providing them a place where they can work efficiently and sleep solidly. San Diego offers planners a wide range of accommodations, from classic, historic hotels to trendy urban boutique lodgings to world-class waterfront resorts to renowned global brand properties — all of which provide best-in-class health and safety protocols. Of the county's 560+ hotel, resort and boutique properties, approximately 135 are corporate conference and convention facilities. Our destination experts will help you find perfect accommodations for your event to make your attendees feel comfortable and ready to collaborate.

THE WOW FACTOR

Delegates know it the moment it happens — that first impression that wipes away all hassles and inspires a sense of serenity. San Diego's hotels range from jaw-droppingly elegant to business-travel casual and everything in between.

POSITIVE ATTITUDE

The whole concept of service with a smile may have originated in San Diego, because it certainly comes naturally to all who live here. Hospitality is San Diego's second-largest industry, producing a cadre of professionals who take great pride in creating outstanding experiences and who know that in today's world, health and safety are the name of game.

CASUAL COMFORT

Let's face it — San Diego isn't a buttoned-up, coat-and-tie kind of place. Something in the balmy air and glowing sunshine makes you want to kick off your shoes, roll up your sleeves and put aside the briefcase. Local hotels and meeting facilities embrace that laid-back attitude with outdoor terraces, tropical gardens and splashy pool decks — all of which provide unique options to get outside for socially distanced networking and collaboration.

A-LIST AMENITIES

Need a plush waterfront villa for the CEO? How about a top-rated championship golf course for that high-powered negotiation? Or maybe an award-winning spa and five-star restaurant are the perfect solutions to make your team feel special. San Diego's hotels make all the top lists, offering the best of everything. Pampering is a local attitude.

HIGH-TECH HUB

Scientists, techies, innovators and inventors feel right at home in San Diego, with its outstanding universities, research centers and technology-based industries. Groups demand the latest tools when presenting and sharing their accomplishments, and San Diego's hotels and resorts meet that challenge by constantly incorporating the most cutting-edge technology and latest innovations in their facilities, especially when it comes to well-produced hybrid meetings that will inspire attendees near and far.

Fitness is as important as food in San Diego — maybe more so, if you happen upon one of the many marathons or other sporting events held annually throughout the county. Local hotels, resorts, corporate headquarters and businesses of all types make sure everyone has a chance to exercise muscles as well as brains during a busy workday. Well-outfitted gyms and recreational areas, including beaches, parks, spacious outdoor pools, tennis and golf, are the extras that clear the mind for creativity, innovation and productivity. Delegates can find classes in everything from aerobics to Zumba® at hotel gyms and fitness centers. Yoga on the beach, kayaking the La Jolla caves and nature hikes are part of the San Diego experience. Delegates are sure to leave with a bit of the active SoCal lifestyle in their routines.

DOWNTOWN, HILLCREST & BALBOA PARK

Delegates get a kick out of San Diego's urban core. Downtown's eight distinct neighborhoods, each with its own unique character and personality, embrace the city's youthful exuberance. The historic GASLAMP QUARTER'S restaurants, nightclubs and specialty shops present dining and nightlife options for all tastes and groups of all sizes. The San Diego Padres' PETCO PARK and the iconic CENTRAL LIBRARY claim prime views in the adjacent EAST VILLAGE, where urbanites gather in trend-setting outdoor cafes, pubs and bars. LITTLE ITALY has evolved into a dynamic community with an eclectic mix of international cafes, trattorias and fashionable shops, and features the PIAZZA DELLA FAMIGLIA, an open-air gathering place that offers the perfect spot to drink in the area's ambience.

The SAN DIEGO CONVENTION CENTER and several modern hotels embrace the waterfront EMBARCADERO, which features the newest and most sophisticated outdoor event venue, the San Diego Symphony's RADY SHELL AT JACOBS PARK. Across the street, sculptures line the MARTIN LUTHER KING JR. PROMENADE beside the eco-friendly and outdoors-embracing THE NEW CHILDREN'S MUSEUM. At nearby SEAPORT VILLAGE and THE HEADQUARTERS AT SEAPORT DISTRICT, specialty shops

and restaurants command awesome bay views. Along the waterfront, the USS MIDWAY MUSEUM, MARITIME MUSEUM OF SAN DIEGO and daily harbor tours provide hours of nautical history and entertainment. With hundreds of hotel rooms and an array of unique outdoor venues, Downtown San Diego is a sensational setting for stimulating and productive meetings and conventions — all amid the sunshine.

Hillcrest and other Uptown neighborhoods combine eclectic entertainment, shopping and culture in a vibrant cosmopolitan ambience perfect for unique and innovative gatherings. BALBOA PARK, the largest urban cultural park in the United States, spans over 1,200 acres and features stunning architecture, beautiful gardens, 17 museums and award-winning theater. Within the park's boundaries, the SAN DIEGO ZOO reigns as an international star for its work with endangered animals and exotic flora. Balboa Park has always featured the very best of San Diego, as was the case with its international expositions in 1915 and 1935. The zoo also expanded with the addition of a new exhibit, Africa Rocks, showcasing the amazing biodiversity found on the African continent; and the just-opened Wildlife Explorers Basecamp, an exciting and interactive adventure zone geared toward families.

Approximate drive time from San Diego International Airport: 10 minutes

Getting Around the Urban Core

Hotels, meeting facilities and attractions in Downtown and Uptown are fairly close together and are linked by bustling sidewalks, city buses and the bright red San Diego Trolley. You can easily walk between the Convention Center and the Gaslamp Quarter in a few minutes. The promenade along San Diego Bay's Embarcadero takes you past many of Downtown's hotels and tourist attractions and is popular with fitness walkers and runners. Balboa Park is a short walk or drive from Downtown; and, once there, a free open-air tram connects Balboa Park's museums and attractions.

MISSION VALLEY & OLD TOWN

Conveniently situated amid several major freeways and transportation hubs, MISSION VALLEY has evolved into a centralized, rapidly growing community with town-home neighborhoods, popular recreational and entertainment offerings and irresistible shopping and dining. Its close proximity to Mission Bay, the ocean, Balboa Park and Downtown have made the area extremely popular for meeting groups and residents alike.

Mission Valley, which is home to more than 6,000 hotel rooms, is a mecca for fabulous shopping, with upscale centers like the outdoor FASHION VALLEY mall. The area also features the newly reimagined TOWN & COUNTRY RESORT AND CONVENTION CENTER as well as the 18-hole RIVERWALK GOLF COURSE and an abundance of restaurants and entertainment options. With easy access to several freeways and serviced by the convenient San Diego Trolley, delegates can explore and enjoy the whole region by car, trolley, bus or tour shuttles.

OLD TOWN SAN DIEGO STATE HISTORIC PARK is one of San Diego's most popular attractions as well as a thriving neighborhood and major transportation hub. Located near the site of the first European settlement on the U.S. West Coast, OLD TOWN is a 12-acre complex devoted to re-creating life in the 1800s and celebrating the region's early California heritage in historic buildings and sites, colorful shops, museums, popular Mexican restaurants and cultural attractions. Several of San Diego's most renowned Victorian houses line the lawns at the adjacent HERITAGE PARK. Many Old Town settings and buildings are available for functions, and charming historic hotels abound. Both practical and entertaining, Old Town offers all the right ingredients for a successful and safe San Diego meeting.

Approximate drive time from San Diego International Airport: 15 minutes

Riding the Rails

Since it began operating in 1981, the San Diego Trolley has become a model modern light-rail system, copied by cities around the world. Bright red trolley cars traverse three color-coded routes covering the eastern part of San Diego County, San Diego State University, Mission Valley, Downtown San Diego, the South Bay and all the way to the Mexican border. And the trolley's UC San Diego Blue Line Extension has just been completed, providing a scenic ride north to the Westfield UTC mall, La Jolla, UC San Diego and more. Trolley fares vary with the distance traveled; ticket machines are available at all stations, including several important hubs. Stations at the San Diego Convention Center and Petco Park make it easy for delegates to get around quickly, inexpensively and safely.

POINT LOMA / HARBOR ISLAND / SHELTER ISLAND

San Diego Bay provides a picturesque postcard image for meetings held on HARBOR ISLAND and SHELTER ISLAND. Cruise liners, U.S. Navy aircraft carriers, historic tall ships and vessels of nearly every description parade through the bay in an endless flotilla throughout the year. Located directly across from the SAN DIEGO INTERNATIONAL AIRPORT, Harbor Island and Shelter Island feature numerous marinas, sport-fishing excursions, recreational opportunities and scenic promenades for exercise or relaxing. Numerous hotels and restaurants on Harbor and Shelter islands offer spectacular views of San Diego Bay, the dynamic Downtown skyline, Coronado and neighboring POINT LOMA as well as stunning outdoor venues. This location makes them popular for meeting planners and delegates who want easy access to the airport and Downtown while enjoying a nearby city escape.

Located south of Harbor and Shelter islands, the Point Loma peninsula is home to CABRILLO NATIONAL MONUMENT, where Juan Rodriguez Cabrillo landed in 1542 to lead the first European exploration of what is now the U.S. West Coast. The surrounding park is one of San Diego's most accessible and beautiful natural wonders, with hiking trails, a historic lighthouse and fabulous lookouts from atop the 400-foot-high point. Visitors sometimes spot gray whales breaching at sea during their winter migration south to Mexican waters. Point Loma is also home to LIBERTY STATION, a master-planned community with hotels, restaurants, shops and a historic ARTS DISTRICT. It is also home to art museums, dance studios and popular restaurants with unique special-event venues, many of which are outdoors. Point Loma's convenient and scenic location makes it a memorable spot for meetings and special events.

Approximate drive time from San Diego International Airport: 15 minutes

Historic Heritage

From the first European footsteps on the U.S. West Coast to the 1923 Naval Training Center, San Diego's historic sites provide authentic experiences that educate and entertain. Near Cabrillo National Monument is the Old Point Loma Lighthouse, restored to its 1880s appearance. As a former Naval Training Center, Liberty Station honors San Diego's deep military roots, while the sprawling complex of historic buildings now houses restaurants, artist studios, boutique shops, special-event venues and expansive outdoor plazas. At nearby Old Town San Diego State Historic Park, witness the living legacy of California's birthplace, where preserved historic buildings and museums commemorate the early days of San Diego from the period 1820 to 1870.

MISSION BAY & BEACHES

The largest man-made aquatic park in the country, MISSION BAY PARK encompasses more than 4,200 acres and is the perfect playground for water enthusiasts. Located just minutes from Downtown and the SAN DIEGO INTERNATIONAL AIRPORT and set in the heart of San Diego's central beach area, the park offers a myriad of recreational options. Some popular options include an 18-hole golf course, 27 miles of paths for biking, jogging and walking, and designated water areas for jet skiing, waterskiing, swimming, paddle boarding and kayaking. Kites fly above playgrounds and picnic areas where families and groups of all sizes can congregate for parties, picnics and special occasions. SEAWORLD SAN DIEGO is Mission Bay's most noted attraction, making the area ideal for delegates with families. A wide variety of upscale resorts and family-friendly hotels featuring bountiful meeting and event spaces, soothing spas, outdoor dining and recreational activities line the bay, offering delegates a tranquil, tropical experience.

On the western side of Mission Bay Park along the blue Pacific, MISSION BEACH is one of San Diego's most popular shorelines. Cyclists, in-line skaters and walkers trek along a 3-mile-long boardwalk that connects with neighboring PACIFIC BEACH. The broad, sandy beach attracts families, surfers, college students and sun worshippers throughout the year. Mission Beach is also home to BELMONT PARK, with its historic GIANT DIPPER roller coaster and popular BEACH HOUSE venue, ideal for outdoor special events. Mission and Pacific beaches offer attendees the quintessential Southern California beach experience, with streets full of cool stores and hip boutiques, surf shops, casual local eateries, coffee houses and a fun, relaxed nightlife scene. Several of the area's restaurants and clubs also have party spaces that can be rented for special events. Located just south of Mission Beach is eclectic OCEAN BEACH, a classic slice of small-town beach living. Here, attendees traveling with their pets can romp together on the popular Dog Beach, while others can enjoy NEWPORT AVENUE, home to a colorful selection of novelty shops, stores, bars, and eateries.

Approximate drive time from San Diego International Airport: 15 minutes

Playtime Possibilities

Pro and amateur athletes love playing in San Diego's temperate climate and sunshine. Olympic hopefuls practice rowing, soccer, cycling and BMX racing at Chula Vista's Olympic Training Center. Surfers of all skill levels compete in contests from Oceanside to Imperial Beach, while the ocean presents abundant opportunities for swimming, kitesurfing, paddle boarding, sailing, kayaking and more. Famed skateboarder Tony Hawk, a local sports celebrity, has made sure San Diego has plenty of skateboard parks found throughout the region. Surf legend Rob Machado lives for the surf at Cardiff and Encinitas in North County. For adventure seekers, there is paragliding above Torrey Pines State Beach, and hikers, mountain bikers, campers and rock climbers head to the vast wilderness of East County, where pine forests, mountains, rivers and deserts can be discovered. Make sure there's plenty of play time built into your itinerary.

LA JOLLA

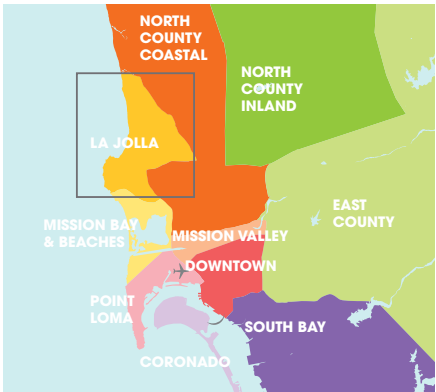

Stylish and casually sophisticated, LA JOLLA has a Mediterranean-like flair that makes it one of the most sought-after destinations on California’s coast.

The scenic “village” is packed with one-of-a-kind boutiques, jewelry stores, art galleries and award-winning restaurants. Luxury and historic hotels overlook the Pacific Ocean, picturesque LA JOLLA COVE and ELLEN BROWNING SCRIPPS PARK — a swath of lawns and palm trees at the ocean’s edge. Considered the “Jewel by the Sea,” La Jolla offers diverse recreational offerings, spectacular arts and culture and some of the region’s finest dining and shopping.

Culture abounds at the newly renovated and expanded MUSEUM OF CONTEMPORARY ART SAN DIEGO, the BIRCH AQUARIUM AT SCRIPPS, the STUART COLLECTION on the UC SAN DIEGO campus, The CONRAD PREBYS PERFORMING ARTS CENTER and the Tony Award®-winning LA JOLLA PLAYHOUSE, which attracts some of the nation’s top theater directors, playwrights and actors. Culinary arts receive standing ovations at many La Jolla restaurants, where some of the nation’s top chefs and the freshest local ingredients take center stage.

La Jolla has earned a worldwide reputation as a golfer’s paradise, hosting major tournaments at the challenging TORREY PINES GOLF COURSE. Hiking trails at the adjacent TORREY PINES STATES NATURAL RESERVE provide views of paragliders floating above sparkling beaches where surfers, kayakers, paddle boarders and swimmers dot the surf. La Jolla Cove and the 6,000-acre La Jolla Underwater Park provide snorkelers and divers four distinct habitats to discover, while WINDANSEA, BLACK’S and MARINE STREET beaches are the most popular surf spots.

La Jolla is also home to notable scientific and academic institutions such as the SALK INSTITUTE FOR BIOLOGICAL STUDIES and SCRIPPS INSTITUTION OF OCEANOGRAPHY, where Nobel Prize winners and renowned scientists conduct research. In the GOLDEN TRIANGLE and SORRENTO VALLEY, just east of the coast, some of the world’s savviest researchers develop technological wonders. Hotels and resorts with elegant facilities make it one of the most desirable meeting and incentive destinations in the country.

Approximate drive time from San Diego International Airport: 20 minutes

Unique Experiences

Watching the sunset from La Jolla’s gorgeous coastline is an unforgettable experience. It’s even better if you’re holding a crystal Champagne flute and nibbling on scrumptious hors d’oeuvres at one of its many exceptional restaurants. At the Birch Aquarium at Scripps, delegates can admire nature’s panorama while lingering beside tide pools filled with starfish, lobsters and sea anemones. Planners can also organize receptions and parties by the 18th fairway of the world-renowned Torrey Pines Golf Course and along picturesque La Jolla Shores, with bonfires blazing into the night. Parks, museums, art galleries, restaurants and hotels provide plenty of options to sample the high life of La Jolla while creating magical memories for delegates.

SAN DIEGO NORTH COASTAL & SAN DIEGO NORTH INLAND

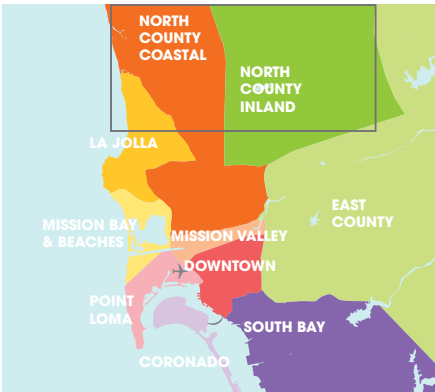

San Diego's North County combines the best of Southern California's coastal lifestyle with the vast natural expanses surrounding the county's inland communities.

Along picturesque beach towns from DEL MAR to OCEANSIDE and in the pastoral settings of ESCONDIDO and RANCHO BERNARDO, meeting planners and delegates can find a variety of facilities and accommodations, including some of the nation's top golf and spa resorts. Set against secluded beaches, picturesque lagoons and rolling valleys and canyons, the wide range of venues offer relaxing and energizing experiences that capture the true essence of Southern California.

San Diego's North Coastal region along historic HIGHWAY 101 is lined with quintessential beach communities. Del Mar is home to the popular DEL MAR THOROUGHBRED CLUB, made famous by Bing Crosby and his Hollywood pals in the 1940s, which provides two dynamic horse racing seasons, in late summer and fall. The DEL MAR FAIRGROUNDS hosts the annual San Diego County Fair in June, along with special exhibits and events throughout the year. Carlsbad is home to LEGOLAND CALIFORNIA RESORT,

the first LEGO theme park in North America, featuring a seasonal water park and the SEA LIFE® AQUARIUM. The FLOWER FIELDS IN CARLSBAD burst into bloom each spring, while the neighboring outlet center attracts shoppers year-round. Oceanside is home to a picturesque harbor and marina, the CALIFORNIA SURF MUSEUM and MISSION SAN LUIS REY, often referred to as the "King" of California's 21 missions. Recreational adventures along the coast include hot air ballooning, biplane adventures, biking the 101 and surfing in ENCINITAS, often rated one of the top surf zones in the nation.

San Diego's North Inland region covers diverse settings, including the SAN DIEGO ZOO SAFARI PARK, where the climate and topography of the SAN PASQUAL VALLEY allow animals to roam free over 1,800 acres. Local wineries and breweries provide quaint garden backdrops for events. North Inland is home to secluded resorts with spectacular golf courses, award-winning spas and restaurants. Other area attractions include the PALOMAR OBSERVATORY and nearby TEMECULA VALLEY WINE COUNTRY with picturesque outdoor party venues.

Approximate drive time from San Diego International Airport: 30–60 minutes

Above it All

Vintage biplanes swoop over the Flower Fields in CARLSBAD in spring and fly above spouting whales in winter. Thrill seekers and romantics rise with the dawn in hot air balloons floating over coastal Del Mar and the region's picturesque wine country. Only the most adventurous catch afternoon winds on hang gliders at the Torrey Pines Gliderport and soar soundlessly in sailplanes over Lake Henshaw and Warner Springs. If you'd rather be earthbound, let your mind drift with dragon kites swirling above community parks and beaches while enjoying the many shades of blue in the clear California sky.

Then, after a day's work, when it's time to truly unwind, find balance at our holistic spa, take a dip in our heated palm-lined pools, sip handcrafted cocktails from the bar, and dine on the freshest of what's in season at six different venues, including San Diego's only Michelin-two-star restaurant, Addison.

Breathe deeply, dream wildly, and discover a soulful sanctuary. Magic sits around every corner and within every conversation. It enchants through the charm of Los Peñasquitos Canyon and the sunshine of San Diego. It's where classic meets cool, the fine unwinds into the fun and inspiration leads to immersion.

EAST COUNTY & SOUTH BAY

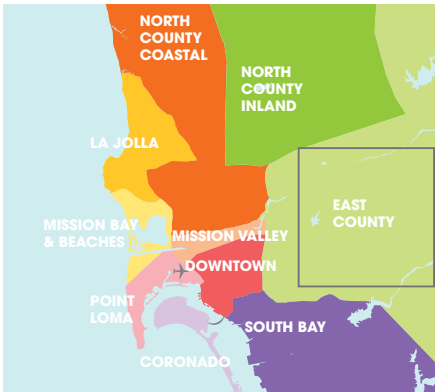

A different world unfolds as one leaves San Diego's coast and travels east to the mountains and desert of East County. Rugged landscapes, rural communities and a vast recreational playground provide unique options for meeting venues and team-building adventures.

East County's offerings include the historic mining town of JULIAN, the 600,000-acre ANZA-BORREGO DESERT STATE PARK and elaborate Las Vegas-style casinos with exciting gaming halls, concert arenas, golf courses and outlet shopping malls. Outdoor recreational activities include hiking, mountain biking, camping, freshwater fishing, horseback riding, mountain climbing and four-wheeling through a desolate desert landscape. World-class golf courses and expansive spas are complemented by a rich Native American heritage and images of the Wild West found in museums, cultural centers, historic buildings and monuments.

Located south of Downtown San Diego, South Bay offers meeting planners and delegates

close proximity to central San Diego, the INTERNATIONAL BORDER and the southern end of San Diego Bay. The cities of IMPERIAL BEACH, NATIONAL CITY and CHULA VISTA, which features a charming harbor and marina, are all located in this rapidly growing region that is filled with golf courses and elaborate shopping malls. Athletes from around the country hone their skills at Chula Vista's ELITE ATHLETE TRAINING CENTER. The LIVING COAST DISCOVERY CENTER and SWEETWATER MARSH NATIONAL WILDLIFE REFUGE are fascinating options for birdwatchers and naturalists.

Meeting groups can take in the brand-new SESAME PLACE SAN DIEGO theme park and enjoy an outdoor concert at the NORTH ISLAND CREDIT UNION AMPHITHEATRE. These are just a few of the truly unique venues that await meeting planners touring East County and South Bay.

Approximate drive time from San Diego International Airport: 20–90 minutes

Super Shopping

Shopping goes hand in hand with sightseeing in San Diego. Shopping centers are all about the great outdoors, with open-air malls featuring plenty of sunshine and outdoor cafes and restaurants to relax in between your purchases. Neighborhoods such as La Jolla, Little Italy, North Park, Hillcrest, Coronado and the Gaslamp Quarter provide plenty of local shops and fashionable boutiques to find the perfect item. Souvenirs from your San Diego visit are in abundance in Old Town, Seaport Village and Coronado's Ferry Landing. Outlet shopping is practically a sport at South Bay's Las Americas Premium Outlets, East County's Viejas Outlet Center and North County's Carlsbad Premium Outlets. Retail therapy couldn't be more fun.

San Diego Transportation

With a number of amazing regions in San Diego, it's easy to fill any itinerary with experiences available right outside your door. Still, if you want to explore a bit more, the good news is that there are any number of transit options that allow you to navigate the region easily.

BY AIR

SAN DIEGO INTERNATIONAL AIRPORT

With its convenient location near Downtown, San Diego International Airport makes it easy for attendees to step out of the terminal into the sunshine and be at their hotel or meeting within minutes. The airport adheres to best-in-class safety protocols. It's also now served by the free San Diego Flyer, an electric-shuttle service that whisks visitors from the two main terminals to the transit hub at Old Town.

CROSS BORDER XPRESS - TIJUANA

Another great airport option is the recently upgraded Cross Border Xpress (CBX) terminal, which uses a bridge to connect the Tijuana International Airport with a service terminal in San Diego, allowing visitors to conveniently fly in and out of Tijuana, providing more, and often more affordable, opportunities for international travel. CBX follows the safety protocols of both the United States and Mexico as well as the approved health guidelines of the World Travel & Tourism Council. CBX enables travelers to buy tickets online as well as download boarding passes and complete immigration papers at home. Travelers can also scan their tickets from their cell phones, which automatically opens the terminal's electronic gates. The CBX terminal is just 20 minutes from Downtown San Diego, providing a convenient second international airport option for your attendees.

BY LAND

AIRPORT TRANSPORTATION

Once visitors arrive at either airport, there are plenty of options for getting to their hotels, including shuttles, taxis, rideshare, limousines and town cars.

CONSOLIDATED RENTAL CAR CENTER

For those looking for their own wheels during their stay, San Diego International Airport now offers an all-in-one Rental Car Center that features national brands, local companies and independent businesses. At 2 million square feet, the facility can hold as many as 5,400 cars and is easy to get to via a free shuttle bus. The Rental Car Center also follows the same safe guidelines as the San Diego Airport.

BY LAND (CONTINUED)

CHARTERS

Several companies offer bus charter services for meeting and convention groups, whether it be transportation to an event site, local sightseeing tours or longer excursions. Each of the companies follow San Diego County safety guidelines and has instituted additional cleaning protocols. You can also charter one of Old Town Trolley’s distinctive trolley cars for a two-hour tour of the city that covers 26 miles and more than 100 attractions.

SAN DIEGO’S METROPOLITAN TRANSIT SYSTEM (MTS)

Public transit is available to and from the airport and Downtown San Diego with an MTS bus route that stops at Terminal 1 and Terminal 2. Buses operate daily with service every 15 minutes on weekdays and every 30 minutes on the weekends. Buses also connect with the San Diego Trolley, Coaster and Amtrak and are wheelchair accessible.

SAN DIEGO TROLLEY

It is hard to miss MTS’s bright red trolleys that crisscross Downtown and beyond and provide convenient service from the San Diego Convention Center to such popular locations as Old Town San Diego, the birthplace of California; Fashion Valley, an outdoor mall known for its luxury shopping; Snapdragon Stadium and the international border, as well as the Westfield UTC mall in University City and eight other new stations on the new UC San Diego Blue Line extension.

TRAINS

Located in Downtown San Diego, the historic Santa Fe Depot offers service with Amtrak and the North County Coaster, which conveniently connects Downtown and Old Town to the region’s charming coastal communities, including Solana Beach, Encinitas, Carlsbad and Oceanside. Amtrak’s Pacific Surfliner runs along the scenic Southern California coastline and is a great way to avoid car traffic while traveling to such destinations as Anaheim, Los Angeles and Santa Barbara. Even better is being able to soak in the scenery, all while relaxing and sipping an adult beverage.

BY WATER

CORONADO FERRY

Take to the water for a 15-minute ferry ride across San Diego Bay to Coronado Island, where your attendees can shop, visit art galleries, and enjoy fine restaurants boasting unforgettable views of San Diego’s Downtown skyline. There is plenty of outdoor seating. Passengers also can purchase tickets online.

WATER TAXI

San Diego Water Taxi offers on-call transportation service on San Diego Bay between Harbor Island, Shelter Island, Downtown and Coronado. Passengers can enjoy the beautiful skyline on the way to their favorite destinations, including any number of stylish bayside restaurants. Groups can charter water taxis as well.

A Scenic Drive

Encourage delegates to experience San Diego’s Pacific beauty— rent a sleek convertible and enjoy San Diego’s 59-Mile Scenic Drive. Encompassing many of the city’s most outstanding attractions, it can be driven in about three hours — but only if you don’t make many stops! Marked by blue and yellow signs illustrated with a white seagull and posted every quarter mile, the route meanders around Downtown,

the beaches, Mission Bay and La Jolla, and passes right through the heart of Balboa Park and the Gaslamp Quarter. There are 26 highlighted sights along the route, including Cabrillo National Monument at the tip of Point Loma and Mount Soledad in La Jolla, offering spectacular views of the Pacific, Mission Bay and the mountains of East County. Frequent photo stops are mandatory.

Rental car shuttles, parking shuttles, bus, taxi, and ride-share services are all available at the transportation islands across from each terminal. Customer service representatives are on-site for assistance.

Rental Car Center

Visitors can pick up and drop off rental cars at the airport's consolidated Rental Car Center, located at 355 Admiral Boland Way, San Diego, CA 92101. Situated on the north side of the airport, this facility offers all rental car services under one roof. Free, dedicated shuttle buses run continually to transport customers between the airport terminals and the Rental Car Center. The shuttles use an exclusive on-airport roadway to avoid the busy surface streets.

Shops and Restaurants

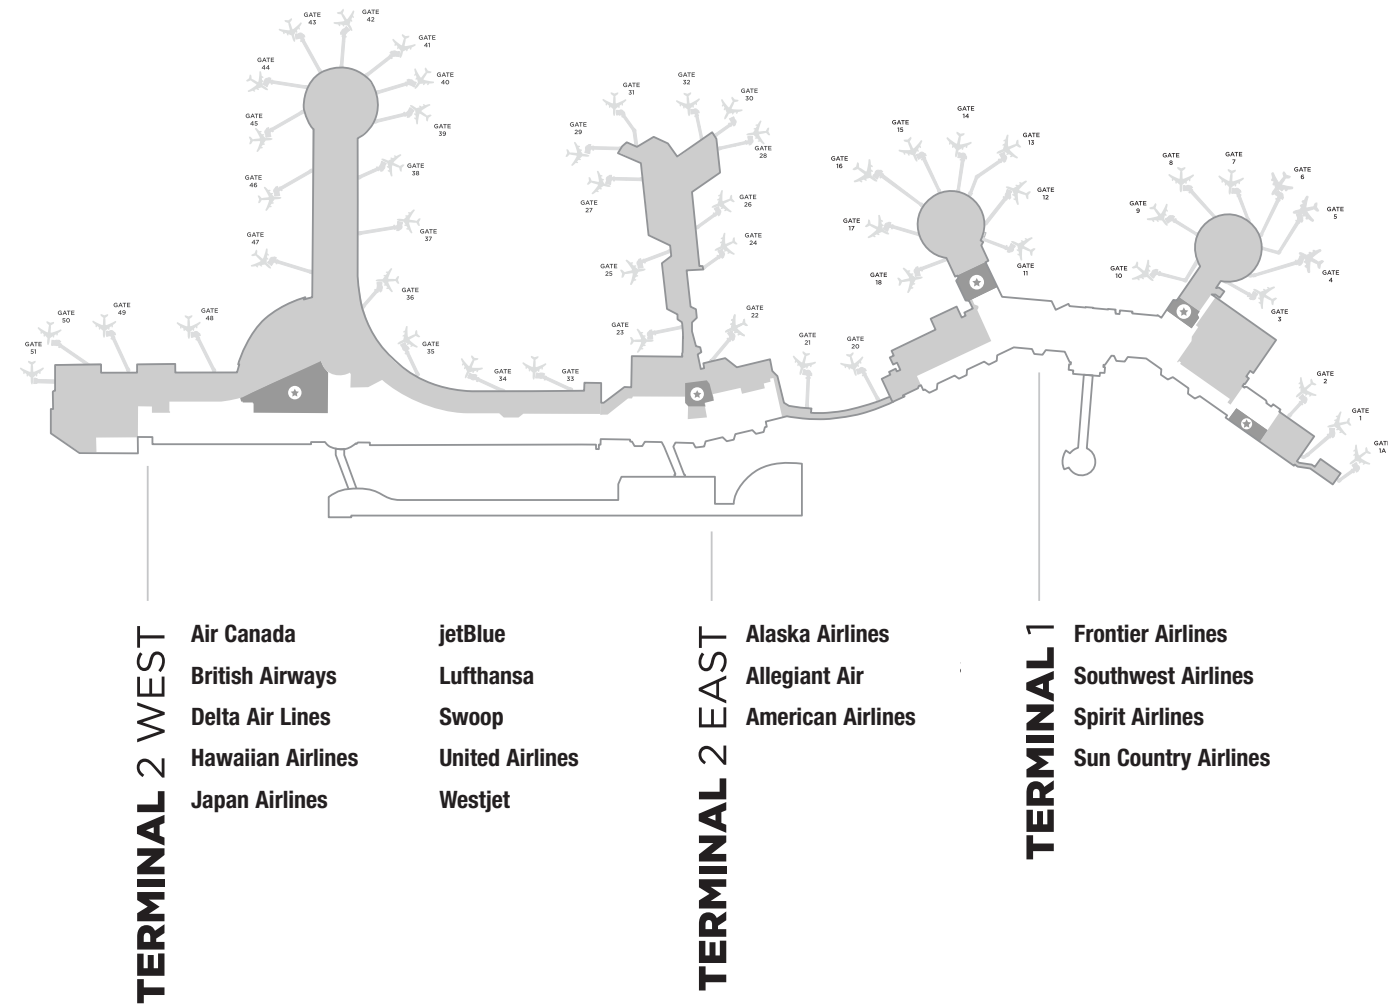

Visitors have a wide selection of local favorites, regional offerings, and national brands as they travel through the airport. Terminal 1 features Bankers Hill Bar & Restaurant, Peet's Coffee, and The Counter: Custom Built Burgers. Terminal 2 features San Diego favorites such as Phil's BBQ, Stone Brewing, The Prado and Saffron Thai, as well as major retailers including Rip Curl and Swarovski. Concessionaires have increased their cleaning and put safety modifications in place to keep you healthy while on your journey. Some shops and restaurants have changed their operating hours. Please be sure to check San.org for more information on what is open during your trip.

Ride-sharing Companies

Several companies offer app-enabled ride-share services at San Diego International Airport. Pick-up and drop-off for all ridesharing services is located at each of the transportation islands across from the terminals. Customer service representatives are on-site at each for assistance.

San Diego-Style Celebrations

San Diego, with its variety of spaces and venues, inspires out-of-the-box planning for memorable events that will have your attendees clamoring to come back. Set your imagination sailing with some creative opportunities that will add a local flair to your next event.

1 There is nothing more San Diego than a beach party. Set an upbeat tone with a barefoot bash in the sand, complete with a barbecue and a late-night bonfire at a tropical resort along Mission Bay.

2 Lean into San Diego's binational culture with a colorful fiesta complete with margaritas and mariachis in historic Old Town, or a cross-border-inspired menu at restaurants such as Coasterra, where you can enjoy stunning bay views from its outdoor deck, or the always vibrant Puesto in The Headquarters near Seaport Village.

3 Be a part of San Diego's seafaring history with a waterfront event aboard the outdoor upper deck of the always impressive USS Midway Museum — the longest-serving aircraft carrier of the 20th century — or at the Maritime Museum of San Diego, which has several ships to choose from, including the Star of India, the Berkeley and the HMS Surprise.

4 Looking for a sweet symphony of sights and sounds? The Rady Shell at Jacobs Park on the Embarcadero is the pitch-perfect place for an event that will dazzle and delight your attendees with its iconic architecture and the San Diego Bay as the backdrop.

5 Get wild by adding some animals into the mix. Imagine your attendees' delight as a curious penguin waddles on by or dolphins swim past during cocktails at SeaWorld San Diego. Want more party animals? The San Diego Zoo offers close-up experiences with any number of species, from porcupines to lemurs and beyond.

6 Experience San Diego's rich cultural heritage with a party in one of the many outdoor venues at Balboa Park. Broaden your attendees' minds with a sophisticated formal event at the San Diego Museum of Art's May S. Macy Sculpture Court & Garden; offer up a serene scene at the lush Japanese Friendship Garden; or go artsy with an outdoor bash at the colorful and charming Spanish Village Art Center.

7 Inspire your attendees with an exhilarating America's Cup Yacht race along San Diego Bay, building teamwork with a side of salty sea spray and breezes.

8 Make your own street scene by throwing a San Diego-style block party complete with local entertainment and cuisine in Downtown's Gaslamp Quarter, which has moved much of its dining to the great outdoors for a decidedly European eating experience.

9 Craft a day for your delegates that focuses on San Diego's frothy beer scene, with neighborhood suds tours that sample award-winning offerings at breweries in Point Loma, North Park, Coronado and La Jolla.

10 Let the sun's warm embrace over Downtown's skyline be your backdrop for a martini and lobster sunset cruise on San Diego Bay.
