

Happiness is Calling You Back

The local community is excited to welcome visitors back to San Diego's sunny shores and diverse neighborhoods. As we reopen, we encourage all visitors to take a pledge for safe, healthy travel while in our destination.

Please follow these guidelines for the health and safety of your family, friends and our local community:

Wear a mask or cloth face covering when in public

Maintain at least 6 feet of distance from others when visiting local businesses

Use contactless payment methods whenever possible

Abide by all local government orders or restrictions that may be in place

Follow CDC guidelines for minimizing the spread of COVID-19, including thorough hand washing for at least 20 seconds

Be patient and kind with staff at hotels, restaurants and attractions, as they learn to adapt to new procedures

Finally, and most importantly: have a wonderful visit and make some lasting memories of your time in San Diego.
